

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

TAUNTON, MASS.

SWILL, REFUSE, AND OFFAL COLLECTION.

REGULATION 2—SECTION 1. No person shall collect, remove, or carry in or through any of the streets, lanes, avenues, places, or alleys within the city of Taunton swill, offal, butcher's waste, soap grease, rough tallow, or slaughterhouse refuse unless duly licensed so to do by the board of health.

SEC. 2. All such refuse collected and carried through the streets, as provided in section 1, shall be put and carried in a close-covered vehicle, box, or other water-tight container from which no odors can escape and which shall at all times, when not necessarily open for the purpose of depositing the refuse therein, be kept securely covered with a metal or wooden cover. If any of the contents thereof shall be spilled or fall upon any street, walk, or premises, it shall be the duty of the collector to replace the same immediately and remove all traces thereof from such street, walk, or premises.

SEC. 3. All persons licensed by the board to collect and transport swill, offal, butcher's waste, soap grease, rough tallow, or slaughterhouse refuse shall keep all carts, equipments, and implements used therefor clean and free from all offensive odors when not in immediate use and shall not allow the same to become offensive or obnoxious to the public or to the owners or occupants of premises adjoining those where the same are kept or stored. [Regulation board of health adopted Mar. 7, 1910.]
